Dear Parents/Guardians of Glenmary Junior High Students,

RE: Junior High Final Exams

**All exams begin at 9:00 am unless otherwise stated**

Once students arrive to school, they will be called to the gymnasium at approximately 8:45. They are asked to bring their textbooks for the exam that they will be taking. All students need to remain in the exam room for a minimum of 1 hour. After this time, students will be assigned to a study room with teachers to study for their next exam. All students in the building must be in a study room. If parents wish for their son/daughter to leave school grounds to study at home, students will need a signed note from their parent/guardian and will need to sign out before they leave the building. **Please provide a separate note each day that you wish your child to study at home.** The notes must be presented to the office so attendance can be adjusted.
