

## VENDING MACHINES

Besides Cash method of payment, the vending machines accept the following other forms of payment: Debit Card (Debit “Flash” card with “TAP” on it), Credit Card, and Apple Pay.

\*\*Debit Card Technical Issue from Oct 16 and Oct 17 has been resolved.

### To Use DEBIT CARD:

- 1) Debit Card has to be a “Debit Flash” card with “TAP” on it; (non-TAP debit cards will not work in the machines).
- 2) PRESS “START” on Machine Card Reader.
- 3) Choose the Product number.
- 4) Hold the Debit Card in front of the Card Reader until “authorization” comes on the screen of the Card Reader.
- 5) When approved, the product will be released.

### To Use CREDIT CARD:

- 1) Only accepts Visa or MasterCard. Does not accept American Express.
- 2) PRESS “START” on Machine Card Reader.
- 3) Choose the Product number.
- 4) Hold the Credit Card in front of the Card Reader until “authorization” comes on the screen of the Card Reader  
OR Swipe the Credit Card (stripe to the LEFT)  
OR Insert Card.
- 5) When approved, the product will be released.

### To Use APPLE PAY:

- 1) PRESS “START” on Machine Card Reader.
- 2) Choose the Product number.
- 3) Hold your Phone in front of the Card Reader until “authorization” comes on the screen of the Card Reader.
- 4) When approved, the produce will be released.
